

Hello Guys!

My name is Claudia and I am 24 years old.

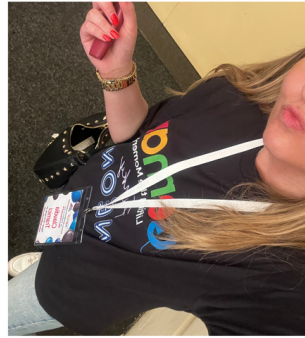

I was born and raised in Naples. I have a degree in communications from Suor Orsola Benincasa university.

From a young age, I have always been passionate about sports like swimming, volleyball, and soccer. Music is another significant part of who I am. When I was younger, I studied pop and jazz singing, which helped me develop my vocal skills. Additionally, I took piano and guitar lessons, which allowed me to explore different musical instruments and broaden my musical abilities. I love going to concerts, especially those of my favorite artist, Marracash.

Currently, I work in my family's store as a party planner and balloon decorator. I enjoy the creativity and planning that goes into making each event special and memorable for our customers. In summary, my life is a blend of sports, music, and event planning, all of which contribute to my happiness and personal growth.
