

About me

Hi, I'm Sara Esposito, I'm 25 years old and I'm a student of marketing and communication, but first of all I'm a Singer and songwriter.

I started this course of study to be able to take care of my communication as a singer, but also to have a plan B.

SARAH LO : IT'S MY STAGE NAME

Being in front of the audience singing, seeing them dancing to my songs... is what gives me the best emotion! It gives me an adrenaline rush, like riding a roller coaster!

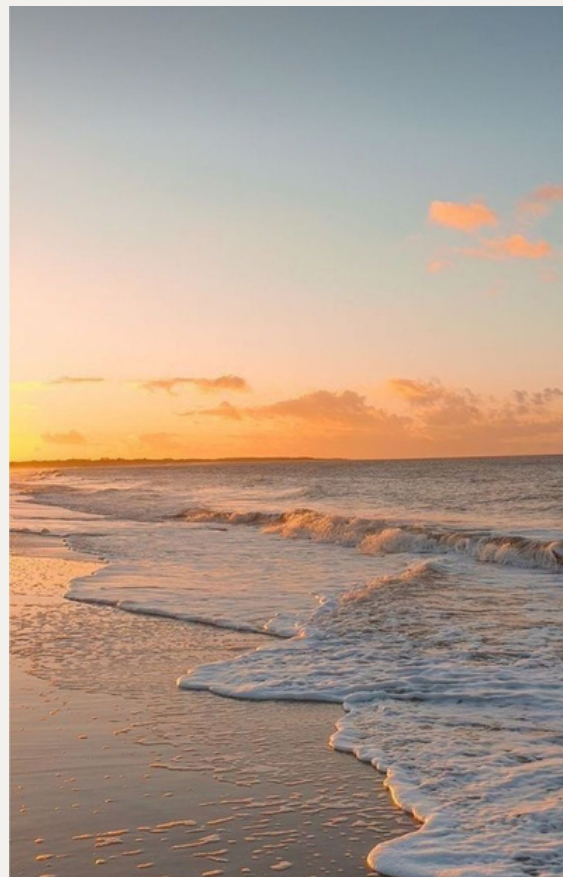

This is my last song "Ta Caliente": it's like a Brazilian funky... in Spanish, I love it!

I like also to pose and
to act. But Music is
before everything.

In my free time I love
travelling, especially to
warm destinations,
because one of my
biggest passion it's for
summer, sun, sea..it gives
me positive vibes!

I also love to spend my time with friends, family and also meeting new people... that's why I'm very excited by this international project, I think it could be a fantastic opportunity!
