

PERSONAL PROFILE

Hello everyone, I'm Salvatore Marino, I'm 26 years old , and I'm currently in my second year of a master's program in Public and Corporate Communication. I was born and raised in Naples, a city that I love more than any other and to which I'm deeply connected. I'm passionate about football, and I've been a Napoli fan since I was a child. The victory of the Scudetto in 2023 was one of the greatest emotions of my life. I hold a bachelor's degree in Communication from Suor Orsola Benincasa University.

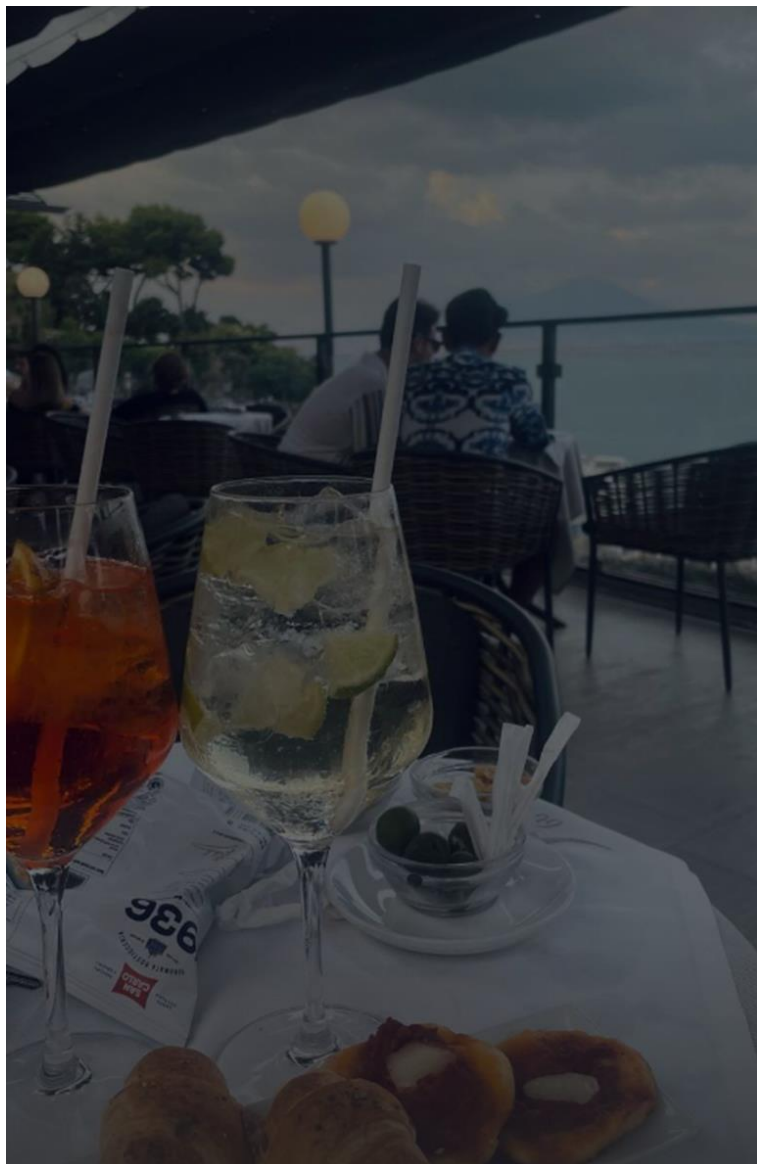

I love music, and I mostly listen to rap. My favorite artist is Lazza, whom I've been following for almost 10 years. I also love video games, especially fantasy and RPG genres, because they immerse you in a unique and magical world.

I'm a sweet and empathetic person, and I adore my friends, spending evenings with them, often enjoying a spritz (Hugo spritz—my friends know I only drink that). I love food, and my favorite is pizza with sausage and friarielli.

I enjoy writing and pushing myself out of my comfort zone. It has always been my passion, and I dream of turning it into a successful career.

This is me, Salvatore, in a nutshell.
