Hi there! I'm Wang Jian, or you can call me Jane. I'm 21 years old. I'm from Weifang, Shandong, China, and now I'm in my third year of college. I'm genuine, good at observing, listening and understanding others. I hope to make friends but never force it – keep getting to know me!

# ABOUT MY PET

**Ju Zi**  
**/Orange**

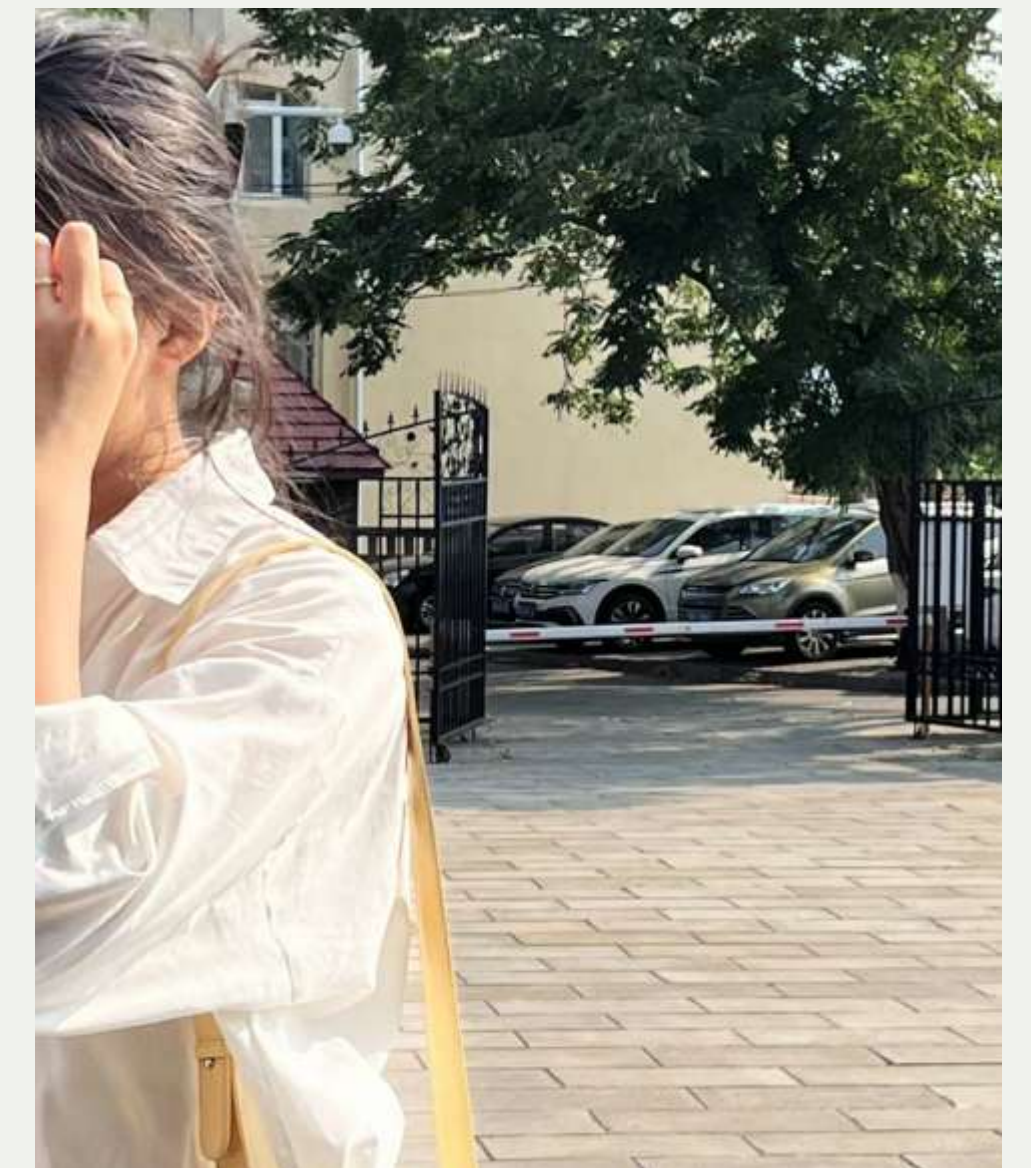

This is my one-year-old male Golden British Shorthair! He's not just a pet – he's totally part of the family. I love snuggling him tight and nuzzling my face into his fluffy little body. I have hundreds of photos of him in my album.

# ABOUT MY HOBBY

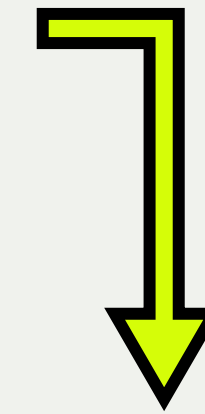

## Photography

I love getting close to nature and I'm used to capturing beautiful scenes with my phone! I'm not a pro or anything, but I always try my best to take nice photos.

# ABOUT MY HOBBY

## Follow Celebrities

I started listening to Lay Zhang's music in high school and fell for him right away! His constant hardworking attitude has given me so much encouragement. I know I'll keep loving him forever.

## Movie

I love watching movies – whether it’s in the cinema or quietly on my laptop, both feel amazing! I’m into lots of genres like anime, romance, sci-fi and more. Sometimes they make me tear up, and other times they get me thinking deeply.

## Tabletop Games

I love playing tabletop games with friends while chatting casually in my free time – things like UNO, poker, and mahjong is my favorite! Of course, the best part is just the feeling of being with friends.

## It's me

First off, I love myself the most! I admire my strengths, embrace my flaws, and I'm one-of-a-kind – the best version of me there is. Do you know me a little better now? I'm Wang Jian, or you can call me Jane!
