MY HOMETOWN

Pamplona is the capital of the Navarra region in northern Spain, is a city renowned for blending history with modern life. Some key facts:

- **Global Fame:** Best known for the annual San Fermín festival and its "running of the bulls" (encierro).
- **Historical Significance:** Founded by the Romans, it was the capital of the Kingdom of Navarra. Its historical city walls and citadel are major landmarks.
- **Modern City:** Offers a high quality of life, a significant university presence, and serves as the administrative and commercial hub of Navarra.

While its fame comes from the festival, the true soul of Pamplona is found in its peaceful old town. Here, life revolves around its cobblestone streets, lively pintxo bars, and green parks like the Ciudadela. It's a city where you can feel its rich history while enjoying a modern, laid-back atmosphere, a delicious local liqueur called patxaran, and a welcoming, community feel.
