

our communication and
interaction

No problem, I wish them a pleasant trip. In the next few days, there will be no problem on our end. You can send me messages at any time for communication

Today we can have a simple exchange meeting to talk about something that interests both of us, such as Chinese cuisine and culture in our country

It's ok for you if this meeting can be on Saturday?

Alessia Esposito 意大利组员
I think that you r 8/9 hours ahead

No problem, but I need to confirm if it's a Saturday in your local area due to the time difference

Alessia Esposito 意大利组员
So we can do this when in Italy it's 9:30 am / 10:00 am and in your country is

Alessia Esposito 意大利组员
I think 6 pm?

useful in solving this rice container problem... why not buy those? what is the difficulty 🤔🤔

11月12日 23:54

I mean is that universal products on the market are designed to meet the needs of most people. And as we delve into the specific scenario of elderly users, every detail of our design is tailor-made for them, thus providing a fit that cannot be compared to general products.

I think we can design a product that is suitable for aging and incorporate some elderly related elements appropriately

11月12日 23:59

I think if it's a product designed for the elderly, we don't need to incorporate too many technological elements, so the price doesn't need to be very high. In traditional thinking, we just need a product that is easy to operate and practical

Alessia Esposito 意大利组员: Guys, we have doubts about certain aspects of our...

Okay, I have already sent a private message to Haoyang, hoping that he can send his proposal to you as soon as possible. Please wait for a while.

11月19日 21:59

ok thank u

I've reviewed the three proposals you submitted. I wonder if we could incorporate some age-friendly elements, as the products shown in the photos you provided appear too simplistic, and many designs currently on the market share this same issue.

today we are analyzing your briefs and we will send you some questions shortly, if you can, try to do it too by Friday 07/11 so that we can proceed with the creation of the designs

11月5日 23:59

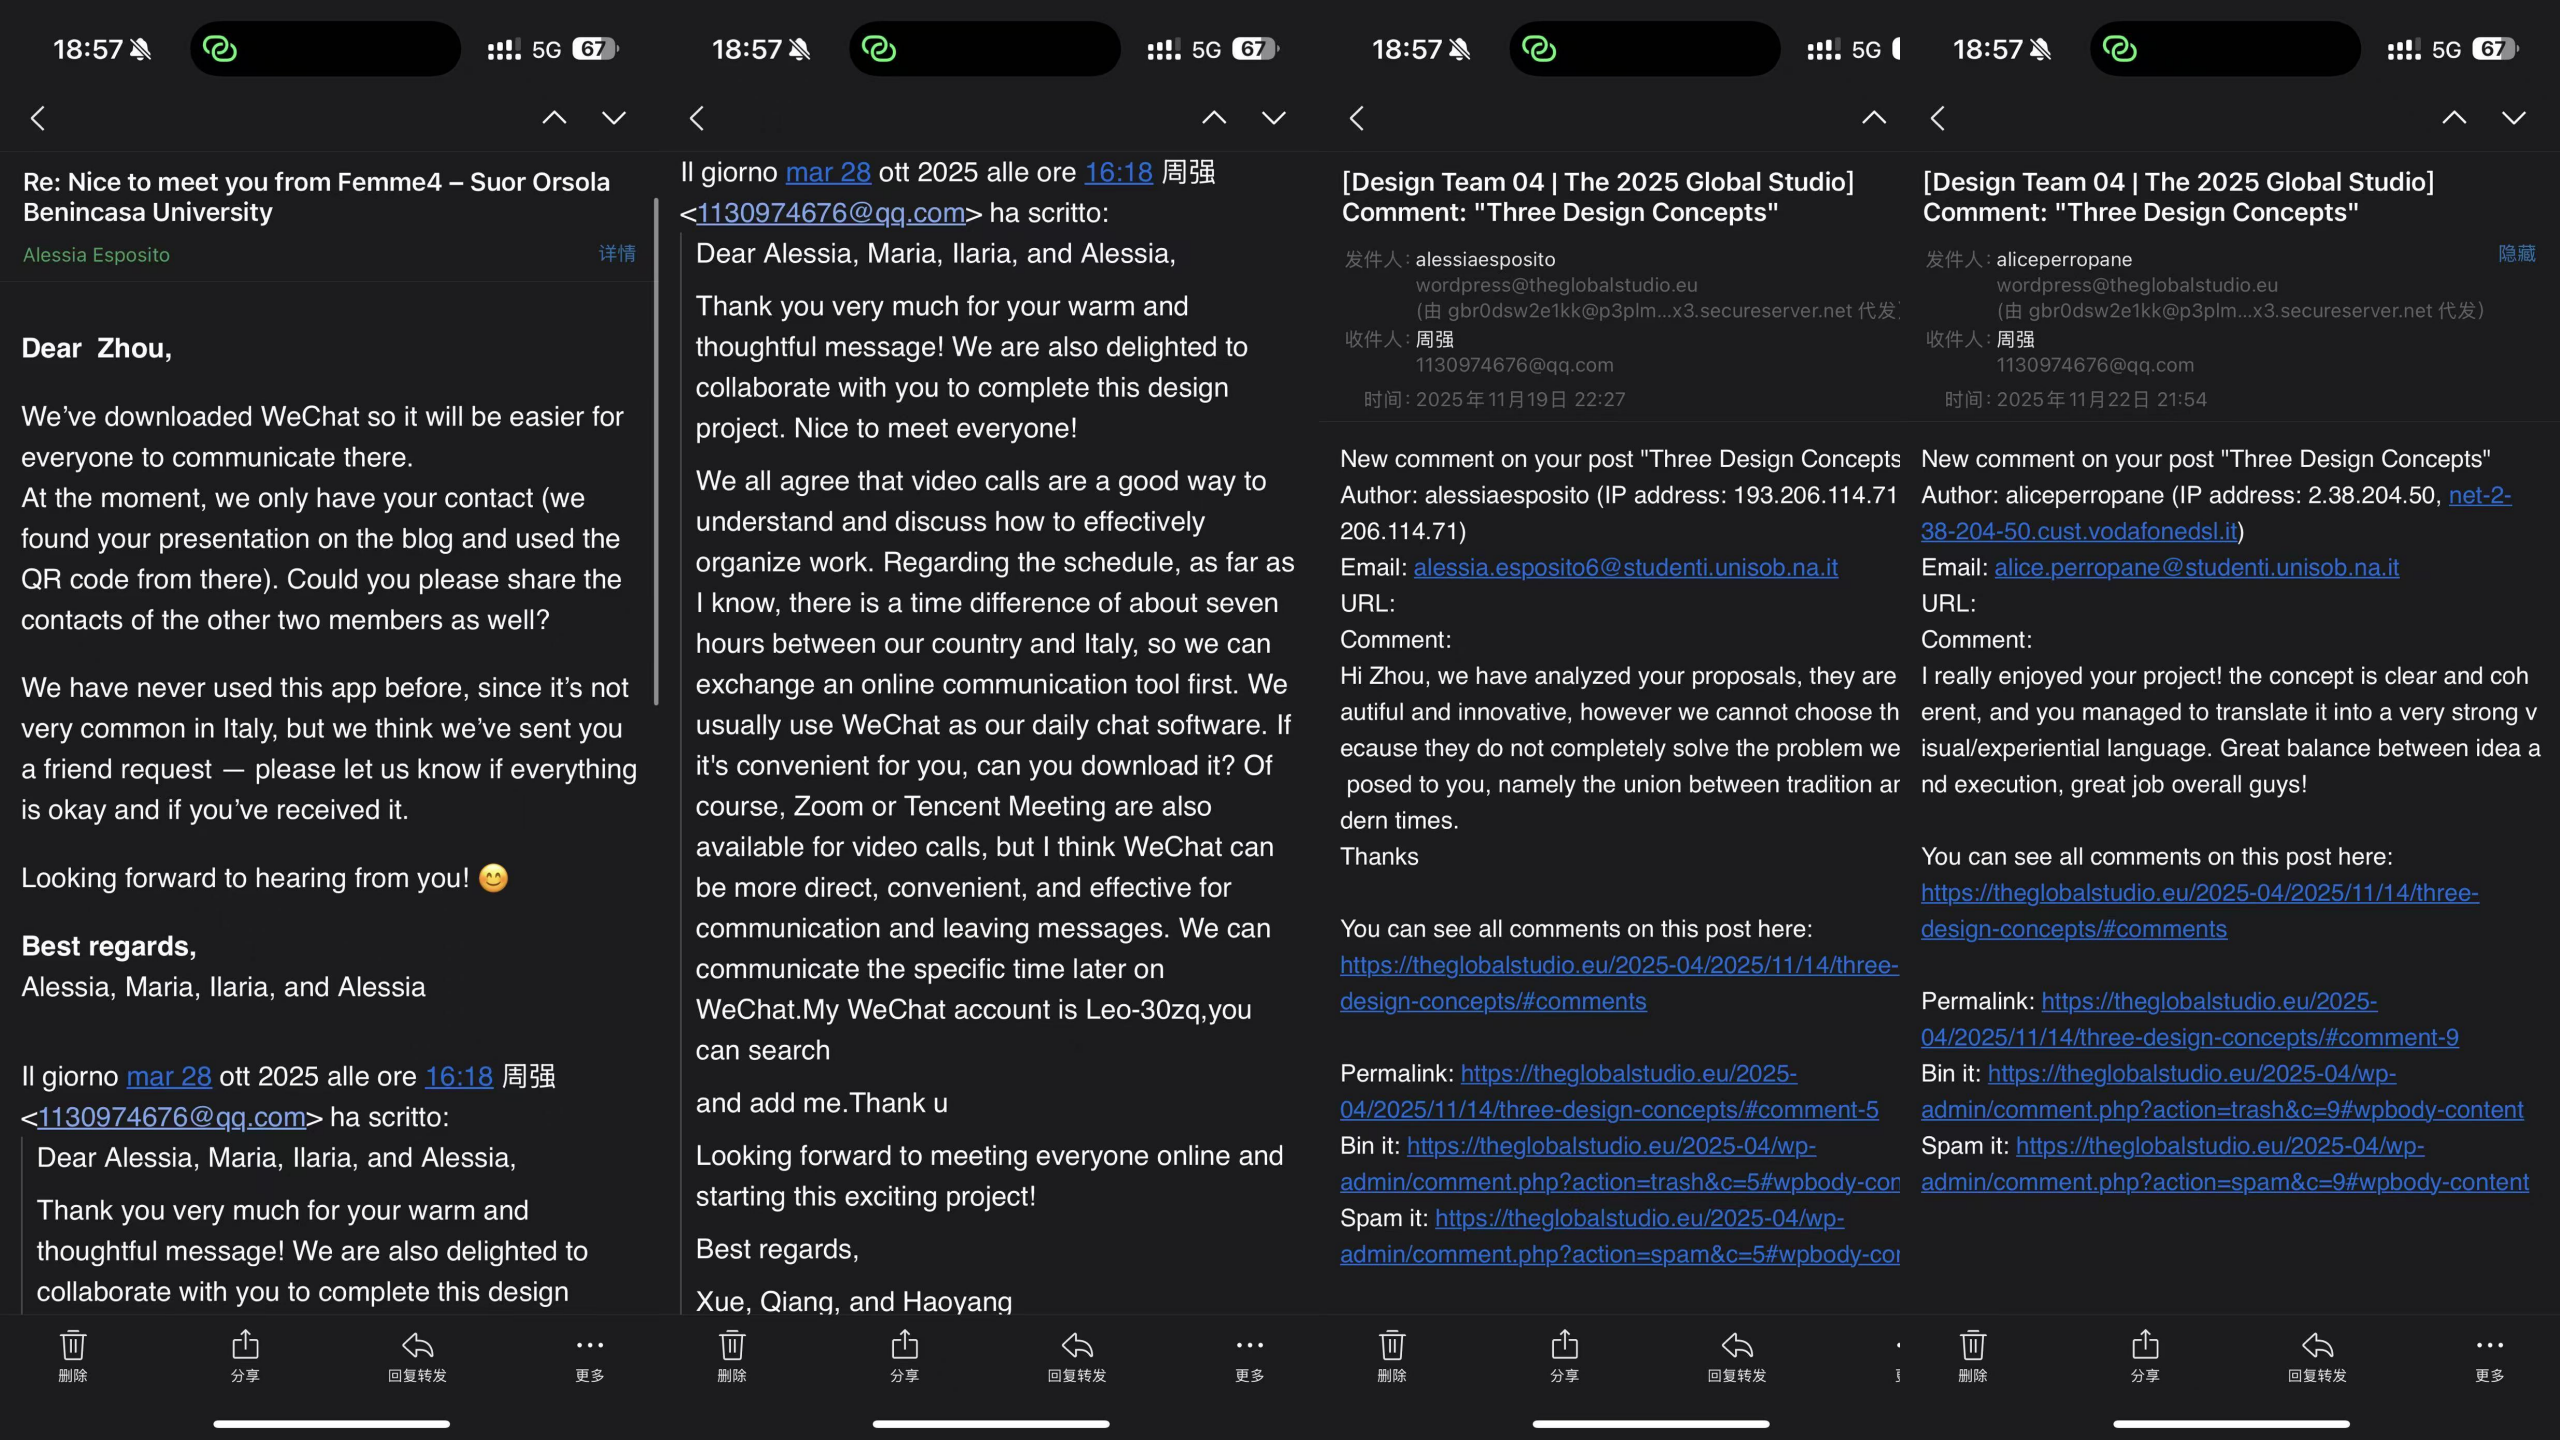

Thanks for the update! We'll be ready to tackle your questions and ensure our feedback is submitted by Friday 07/11 so you can proceed with the designs without delays.
